<b>Bug Out Bag Components:</b>	Tactical Backpack	<ul style="list-style-type: none"> <li>● <b>Back Pack (#67521)</b> This durable backpack is perfect for toting both emergency or everyday items. Features include a bottle holder, a small front zippered compartment, a medium size zippered compartment, and a large zippered main compartment. Use this backpack to hold your <a href="#">automobile</a>, <a href="#">first aid</a>, or <a href="#">emergency kit supplies</a>.</li> </ul>	\$8.95
		<ul style="list-style-type: none"> <li>● <b>Deluxe Backpack (#67520)</b> The K-Cliffs deluxe hiking backpack is perfect for any outdoor adventurer. Features include easily adjustable shoulder and waist straps, lumbar support, hood compartment, an extra-large main compartment, two mesh side pockets, and a small front zippered compartment. This backpack has space to hold your camping and hiking needs. Use this deluxe backpack on hiking trips or to hold your <a href="#">automobile</a>, <a href="#">first aid</a>, or <a href="#">emergency kit supplies</a>.</li> </ul>	\$31.83
<b>Light &amp; Fire Starters:</b>	Waterproof Matches	<ul style="list-style-type: none"> <li>● <b>Storm-Proof Matches (#51158)</b> These storm-proof matches burn for up to 25 seconds in intense rain and wind. With 25 matches per box, you'll want to be sure to make this item part of your emergency kit. These matches are both storm-proof and can be lit even after being fully submerged in water.</li> </ul>	\$3.47
		<ul style="list-style-type: none"> <li>● <b>Waterproof Matches (#51159)</b> These waterproof matches are a must for any emergency kit. Both the box and striking surface are treated with a waterproof sealant. The 25 matches per box have extra large heads specifically formulated to light in the rain.</li> </ul>	\$0.59
	Match Holder	<ul style="list-style-type: none"> <li>● <b>Plastic Match Box (#56662)</b> This highly visible plastic match box is not only easy to spot, but features a rubber "O" ring for a watertight seal and an emergency flint on the bottom. Since this box has the ability to hold enough matches for a weekend trip you can take this box with you on a camping trip or keep in your emergency kit.</li> </ul>	\$1.98
	Emergency Tinder	<ul style="list-style-type: none"> <li>● <b>Emergency Tinder Sticks (#56683)</b> Emergency Tinder Sticks These 100% natural fire starters are made from Pinus Montezumae (fatwood) stumps that are saturated with naturally flammable pitch. The wood produces an extremely hot flame and lights even when wet because of its 80% resin content. Great for starting fires at home in the fireplace, on camping trips, or in survival situations, these tinder sticks will help you start a fire under any conditions.</li> </ul>	\$5.49
		<ul style="list-style-type: none"> <li>● <b>Emergency Tinder Kit (#51157)</b> Our emergency tinder kit is a fire starting kit that doesn't require matches. The tinder will light even when wet and is non-toxic and odorless making it eco-friendly. Each kit contains 8 pieces that burn 5-7 minutes. Simply pull apart the tinder cube and use the Striker Pin and flint Match to light the exposed Fibers.</li> </ul>	\$5.96
		<ul style="list-style-type: none"> <li>● <b>WetFire – Starting Tinder Pack (#51152)</b> WetFire™ Tinder burns without smoke and can be stated in high winds, heavy rain, or floating in water. Creating heat up to 1300°F</li> </ul>	\$7.95

		these non-toxic cubes won't leak and cause damage to your other gear. Although it burns hot, WetFire cools almost instantly when snuffed out. Use only a small pile of shavings to start a campfire, warm your hands, or pre-heat a backpacking stove.	
	36 Hour Survival Candle (2)	<ul style="list-style-type: none"> <li>● 100 Hour Candle (#62060) Heat and light are vital in many emergency situations. A long burning candle supplies both of these functions. This liquid paraffin candle is self contained and reusable for up to 100 hours of burning. It also has a resealable white plastic housing.</li> </ul>	\$8.95 (x2) = \$17.90
	Flint w/ Striker	<ul style="list-style-type: none"> <li>● Magnesium Fire Starter (#51156) This Magnesium fire starter starts hundreds of fires by providing a 5,400°F spark. It works in any weather condition and even when wet. Simply shave a few magnesium pieces onto your desired surface and scrape the inlaid sparking flint edge with a knife. This fire starter is waterproof, fireproof, and reusable.</li> <li>● FireSteel Scout/Mini/Army (#51153/#51155/#51154) This FireSteel creates 5500°F sparks in any weather condition. Even when wet it can produce a spark that is bright enough to be used as an emergency signal.</li> </ul>	\$8.95  \$12.93 /\$7.95/ \$19.89
	All-Weather Lighter	<ul style="list-style-type: none"> <li>● BlastMatch Fire Starter (#56672) The BlastMatch™ Fire Starter is designed for all-weather use. This revolutionary flint based fire starting system performs in the most extreme marine, arctic, desert, and jungle environments. The patented BlastMatch™ generates a stream of super heated sparks literally three times the heat of a standard match. You can easily light any material (wood, paper, bark, cloth, or man-made fire starting tinder) that a match will ignite. With the BlastMatch™ you can accurately aim the sparks to ignite a roaring fire in all weather conditions, and the BlastMatch™ will last up to a an amazing 4,000 strikes.</li> <li>● Sparkie Fire Starter (#51150) Sparkie is a compact, one-handed fire starter that can light a fire in any weather conditions including the pouring rain. It weighs only 0.8 ounces and is easily operated. The striker is set at the perfect angle to achieve maximum sparks making it a simple, but life-saving, aspect in case of an emergency.</li> </ul>	\$24.83  \$14.88
	Headlamp	<ul style="list-style-type: none"> <li>● Irix II Headlamp (#62066) High-efficiency LEDs create a wide, user-friendly beam that's fully adjustable from five to 50 lumens. A comfortable headband supports Irix II's lightweight polymer body, which is as stylish as it is durable. Sure to turn heads, whenever it's on your head.</li> <li>● Sportsman Cap Headlight (#62055) This searchlight is a great outdoor tool. Features include an adjustable band and an ultra bright bulb.</li> </ul>	\$29.84  \$7.95
	Flashlights: 1 Small 1 Large	<ul style="list-style-type: none"> <li>● Solar Crank Flashlight (#62081) Self-powered 3 LED flashlight. No batteries to replace.</li> <li>● 3v LED Flashlight (#62076) This flashlight requires no batteries, it is powered by its built in squeeze Dynamo. Built into a 2"x4" plastic body are 3 LED lights and a convenient lanyard.</li> <li>● Solar Flashlight (#62086) The Solar Flashlight uses advanced solar technology that collects power from any light source, indoor lighting or sun light, and stores it for later use. Leave it out during the day and have plenty of light when needed. This 7 LED flashlight is perfect any 72 hour</li> </ul>	\$17.99  \$2.48  \$14.99

	<p>kit or in the home for everyday use.</p> <ul style="list-style-type: none"> <li>● <b>9v LED Flashlight (#62077)</b> This flashlight includes 9 LED lights for a super bright light with a long life. With an easy push on/off button and requiring 3 AAA batteries that are included you'll be ready to go.</li> <li>● <b>12v LED Flashlight (#62080)</b> Micro LED flashlight that charges by plugging directly into your car cigarette lighter.</li> <li>● <b>Ever-On II Waterproof Shake Flashlight (#62054)</b> Ever-On Flashlights are self-generating and waterproof. They run on replaceable lithium batteries and turn on with a switch. They can also be shaken for thirty seconds to provide five minutes of light. Color options include red, clear, and blue.</li> <li>● <b>Heavy Duty Flashlight (#62052)</b> Provides light when needed. Push button operated.</li> <li>● <b>Omegalight Shake Flashlight (#62057)</b> The Omegalight is a revolution in flashlight design. Instead of battery power, this flashlight is energized through being shaken. This is the brightest, most technologically advanced flashlight on the market. The Omegalight is indestructible, waterproof, and will float in the water. This flashlight is ideal for use in the car, home, or outdoors.</li> <li>● <b>Link Flashlight (#62065)</b> A high-output LED and TIR lens produce a brilliant beam that's tightly focused at the high or low setting. And Link's compact, modern body is machined from durable, high-strength aluminum and features an integrated carabiner clip that permits multiple carry options. Because how you choose to carry your light, says as much about you as the light you choose to carry.</li> <li>● <b>Rogue 2 Flashlight (#62083)</b> The Rogue 2 flashlight boasts of a highly modern and innovative design. It's sleek body is made a durable aerospace aluminum so it is virtually indestructible. The body houses high efficient LED lights that are cut through the even the darkest of spaces. This lightweight flashlight is the perfect addition to any emergency kit or camping gear.</li> </ul>	<p>\$3.47</p> <p>\$13.99</p> <p>\$15.91</p> <p>\$4.47</p> <p>\$4.97</p> <p>\$29.84</p> <p>\$48.99</p>
